LEADERSHIP AND WORK EXPERIENCE

ALTSCHOOL AFRICA

Circle Leader

Lagos, Nigeria

- Increased engagement among members by organizing group meetings and discussions which promoted collaboration and boosted camaraderie
- Coached members on successful practice sessions, including identifying and solving any issues that arose; led to a 50% reduction in practice session dropouts and a 30% increase in member participation
- Revolutionized member and circle success by curating and sharing 10+ relevant study resources, including online workshops; increased member satisfaction by 45% and retention by 30%

ABUNDANT GRACE HIGH SCHOOL

Event Host

Moricaz, Ogun

- Anchored over 10 programs for the school on relevant occasions within 4 years which led to over 20% increase in student interest in such events
- Organized and participated in a departmental showcase within my second year of joining JETS, which had not held in almost 5 years prior

PISKA TECH – LOAN COMPANY
